

Cottonwood Mansion Museum

FOR YOUR INFORMATION

August 2020

As noted in my first "For Your Information". The Trustees of the Cottonwood Mansion Preservation Foundation have voted to extend the closure of the facility until April 1, 2021. This will cover any extension of the ban connected with COVID-19.

The Daylily sale was held outside the Mansion in July with great success and a generous donation was received from David & Mary-Ann Pearson.

A senior luncheon with entertainment will be held outside the Mansion in early September.

Since we have no revenue coming in we are perusing other avenues, such as the FCC Agri-Spirit Fund for the Balcony & Belvedere repairs & restoration and Museum Assistance Program.

We are maintaining the grounds and minor repairs are being performed inside and outside the Mansion. We are presently painting the Gazebo and the two small bridges. We will have our new sign installed before the end of September.

Since we have limited revenue coming in, a donation from you would be greatly appreciated. I have attached a document on how to e-transfer donations from your bank account to Cottonwood Mansion's bank account. Tax receipts will be issued for donations.
